

CCESG 2024

2024 INTERNATIONAL CONFERENCE ON

Clean Energy and Smart Grid

November 27-29, 2024 | New South Wales, Australia

Committee

International Advisory Committee

Liliana Celia RUSU
Centre for Marine Technology and Engineering CENTEC, Portugal

Marco Casini
SAPIENZA University of Rome, Italy

Conference Chairs

Hui Liu	Guangxi University, China
Pierluigi Siano	University of Salerno, Italy
Belkacem Ould Bouamama	University of Lille, France

Program Chairs

Eugen Rusu	New Jersey Institute of Technology, USA
Mohan Lal Kolhe	University of Agder, Norway
Yang Han	University of Electronic Science and Technology of China,
Boyu Qin	Xi'an Jiaotong University, China
Yifei Wu	Xi'an Jiaotong University, China

Program Committee

Hartmut Hinz	Frankfurt University of Applied Sciences, Germany
Xueliang Yuan	Shandong University, China
HAMED BADIHI	Nanjing University of Aeronautics and Astronautics, China
Yanbo Chen	North China Electric Power University, China

OVERVIEW

2024 International Conference on Clean Energy and Smart Grid (CCESG 2024) aims to bring together scholars, managers, researchers and students of Clean Energy and Smart Grid related areas and industries for intellectual exchanges, research cooperation, education and professional development. CCESG 2024 will offer keynote speeches and several research topics, for inviting presentations of theoretical research findings and case study in Clean Energy and Smart Grid and its related fields, and also offers excellent networking opportunities to participants, with a wonderful taste of local culture and scenery in New South Wales, Australia on November 27-29, 2024.

Call For Paper

Topics of interest include, but are not limited to:

- New Energy Materials and Devices
- Energy Storage and Distributed Energy
- Photovoltaic Systems and Solar Engineering
- Electric Vehicles and Vehicle-to-network (V2G)
- Smart monitoring and outage management
- Fault Monitoring and Predictive Maintenance
- Electricity Markets and Electricity System Economics
- Electricity Generation, Transmission and Distribution
- Wind Power
- Renewable Energy Grid
- Smart Grid Architecture
- Energy Saving Technology
- Power Electronics and Drives
- Renewable Energy Utilization
- Clean and Renewable Energy
- Power and Energy Engineering

REGISTRATION

Early Birds before Sept. 17, 2024	Regular Authors	600 USD
	Student/Committee	530 USD
	IASED Member	550 USD

SUBMISSION

Prospective authors are welcome to submit your research paper to CCESG 2024 through [Online Submission System](#).

If any questions about the paper submission, please send an email to contact@ccesg.org.

Key Dates

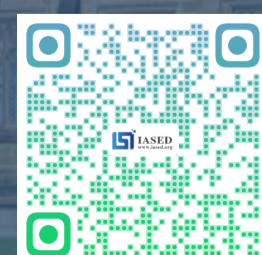

Abstract submission: May 1, 2024
Full paper submission: May 20, 2024
Notification of acceptance date: September 20, 2024
Final paper submission date: October 10, 2024
